

Call for applications
for winning a scholarship

Students' Research Conference (TDK) 2020 organised by the Faculty of Health Sciences, University of Pécs

The Rector of the University of Pécs is calling for applications for winning a scholarship of the Students' Researcher Conference 2020 in the frame of the EFOP-3.6.3-VEKOP-16-2017-00009 project titled „The development of scientific workshops in medical-, health- and pharmaceutical sciences education”. The aim of the scholarship is to support those students who besides their compulsory studies uploaded their abstracts and applied for the 26th Students' Research Conference organised by the Faculty of Health Sciences.

Applicants have to submit a signed application form, which should be handed in personally or mailed to the Dean's Office of the Faculty of Health Sciences, UP (7621 Pécs, Vörösmarty u. 4).

Submission deadline: 30th June, 2020.

Results will be published within 30 days after the submission deadline.

Applications will be evaluated by the TDK Board, which is chaired by Prof. Dr. Mária FIGLER and consists of the following members:

- Prof. Dr. Mária FIGLER PhD- full professor, vice-Dean for Research and Quality Assurance, TDT president
- Dr. Márta HOCK- senior lecturer, Student Research Society coordinator
- Dorina POTYONDI- Student Council president

The awardees receive a one-time scholarship, the amount of which is gross 5000 HUF/person. Payment of the Scholarship will be conducted within 60 days after decision is been made.
